Preparing the Way

Re-Claiming Advent

by Keith M. Haithcock, Pastor and Teacher

When I was a kid I remember people saying "Happy Holidays" to one another. I have antique Christmas ornaments that have Happy Holidays hand painted on them; some more than 100 years old. Saying Happy Holidays is not new, and it is not a war on Christmas or being politically correct. It's like a blessing, sharing God's favor and protection during the holy days (holidays).

Our culture (including the church) has done a number on the seasons around the birth of Jesus. We have turned the four weeks prior to Christmas Day – Advent: a time of preparation for Christmas - into a Black Friday push and shove materialistic madness mania. By the time we make it to Christmas Day we are zoned out, wiped out, pooped out and sick of hearing *Silent Night* on the radio or in Church.

When did the Church forget to prepare for Christmas? I'm not talking about putting up trees and greenery, I'm talking about the birth of the world's Messiah. When did we forget that Christmastide has twelve whole days of enjoying, rejoicing, delighting, and valuing time of celebrating the Light of the World with us? We've turned Advent into a frenzied time of anxiety and Christmas into its end instead of a beginning of a new dawn of hope.

When materialism spikes during Advent and Christmas Day bottoms out before the sun goes down we can't grumble about saying "Merry Christmas" or not with any sense of integrity. It's up to us what we do and say and how the holidays are practiced. Do we allow popular culture to dictate how the Church celebrates or do we dig deep into the spiritual substance of the Messiah's message and renew our minds, reactions, focus, and motivations toward our neighbors near and far. Let's not sacrifice Advent for a market-driven rage and whirl and miss Christmas all together. Let's saver the time of this season through meditation and serious thought about one's character, actions, and motives and prepare for Christmastime.

Have a Blessed Advent and a Merry Christmas! Happy Holidays!

A Reflection on ADVENT

The season of Advent begins on December 2. This Advent, try something new: Spend less and give more. Decrease the stress and increase the prayer and care for others. During the four weeks of Advent we are Preparing the Way for Christ to come anew into our lives and living. It is a time of reflection, renewal, and making-ready, not for shopping or decorations and parties, but for our hearts and for the world, for the good news and love of God given to us through Jesus. We have 12 days to celebrate Christmas, shop and exchange presents, host parties, sing carols, and make merry. Advent opens our hearts to Christmas. It's not one day, it's a lifetime.

Blue Christmas

A service toward the light
Wednesday, December 12, 2018
7p
St. Paul United Church of Christ
1 North Jefferson
Alexandria, KY

Blue? Yes, blue as in the blues. As in "I am feeling blue." Not everyone is up and cheery for the Christmas holidays. Dealing with the death of a loved one, facing life after divorce or separation, coping with the loss of a job, living with cancer or some other dis-ease that puts a question mark over the future, and a number of other human situations make parties and joviality painful for many people in our congregations and communities. There is a growing attentiveness to the needs of people who are blue at Christmas. Increasing numbers of churches are creating sacred space for people living through dark times. Such services are reflective, accepting where we really are, and holding out healing and hope.
Some churches hold a service of worship on the longest night of the year, which falls on or about December 21st, the Winter Solstice. There is an interesting convergence for this day as it is also the traditional feast day for Saint Thomas the Apostle. This linkage invites making some connections between Thomas's struggle to believe the tale of Jesus' resurrection, the long nights just before Christmas, and the struggle with darkness and grief faced by those living with loss.

You are invited to this service at our sister congregation in Alexandria, KY. Invite a friend or family member who may benefit a service focused on getting through grief, darkness, loss.
You are most welcome.

Illumination Youth Ministries Updates

Our winter scripture is taken from Romans 15:13-- "May the God of hope fill you with all joy and peace as you trust in God, so that you may overflow with hope by the power of the Holy Spirit."

Wednesday, December 5-- 5:30 PM-7:30 PM at First Christian Church (1031 Alexandria Pike, Fort Thomas): We will have our Christmas dinner tonight along with a movie (TBD--you guys gave me a LOT of options! Parents--final choice will be PG).

Tuesday, December 18-- 5:30 PM-8:00 PM at St. John UCC Bellevue (520 Fairfield, Ave, Bellevue): Let's go ice skating! We will meet up and travel to Fountain Square (weather permitting). Please eat dinner beforehand. This trip will cost $6 for admission. Illumination will cover the cost of skate rental. Please RSVP to Melanie by December 10 so we can plan for adults/drivers for this trip.

ADULTS:

We are always looking for adults who want to hang out with us. We're a pretty fun (and energetic) bunch. We usually stay in for our Wednesday meetings and enjoy a meal together. You're likely to find us out in the community on a Tuesday. We need interested adults to go through a background check. After that, you'll work with Melanie to schedule as many or as few dates as your availability allows.

Illumination Youth Ministry is a shared youth ministry of St. John UCC-Bellevue, Christ Church UCC-Fort Thomas, and First Christian Church-Fort Thomas. Middle School and High School Youth (Grades 6-12) are invited and encouraged to attend. Our regularly scheduled meetings are on the first Wednesday and third Tuesday of each month. Friends are always welcome—we just ask that everyone sign in for meetings with appropriate emergency contact information.

A2A needs your help!

We are asking YOU to help us as we examine our current facility and practices at St. John United Church of Christ so that we have direction, communication and action that will result in Accessibility to All (A2A). If you have a visible or invisible disability, be it temporary or permanent, or if you know someone with a disability, help us by sharing your insight. We want to know what we can do better at St. John so that persons with disabilities are full participants in our St. John community. What needs improvement? What have we not considered? What issues concern you? How can we help? How do we support those who do not participate because of a disability so that they can and want to come be with us? All ideas and concerns are welcome!

In December there will be a bulletin board at church for you to post a note with your thoughts. You can also contact anyone of us on the task force (see email addresses/phone numbers below). You do not need to tell us who you are but it will be helpful to know so we can talk with you more if needed. We seek answers; YOUR help is important.

We promise to report back to you what we discover and what we are doing. We will always respect the privacy of all we talk with and individual names. Thank you. Scouting at St. John

BOY SCOUTS OF AMERICA®
DAN BEARD COUNCIL

Cub Scout Pack 17 is alive and well in this, our second year. We're blessed to have two passionate parents step up to be our key leaders. Kevin Pfaehler is serving as our Pack Committee Chair – his son Wyatt is in 4th grade at Holy Trinity. Kevin Partin is our Cubmaster and his son Noble is in 1st grade at Holy Trinity. Josh and Lindsey Kuethe serve as our two den leaders and help the scouts to complete activities that help them earn rank advancement. Their two daughters, Julia and Ella, also attend Holy Trinity.

I'm proud to announce that we have 19 active scouts, five of whom are girls, ranging from 1st to 5th grade. The scouts represent Grandview Elementary and Holy Trinity. We're still targeting Lincoln Elementary as a source for new scouts. We're hopeful that a January recruiting plan will bring us more amazing young people.

In the last two months, the scouts have learned Cub Scout basics and earned their first rank badge – Bobcat. The Bellevue Police visited on October 30th and spoke to the scouts about safety during trick-or-treat. That same day we had our Halloween party. The scouts all dressed up and had a great time playing games.

We've just begun our planning for 2019. Look for us to celebrate Scouting on February 10th during the worship service. That celebration will be followed up by our Pinewood Derby competition. The entire congregation is invited. Stay tuned for more details.

If you'd like more information about Scouting or have questions, please contact Kevin Pfaehler at kevinpfaehler2@gmail.com or 859.991.3100 or Adam Clinkenbeard at ajclinkenbeard@gmail.com or 561.306.5512. Thank you for your support of Scouting!

Around the Table Luncheons

A new ministry to serve community needs through developing spiritual relationships

The Strategic Leadership Council (SLC) has approved the proposal for a new ministry with hopes of strengthening the Church, building spiritual relationships, and impacting our growth and mission in our local communities. It's called Around the Table Luncheons.

This new ministry is based on the premise that when we share relationship with one another in the Church we are more likely to live out the Church's mission together. When we know others in the Church by face or limited acquaintance we are less likely to engage in the Church beyond attending worship services. By adding a monthly luncheon option, St. John congregants, and everyone we invite, will have the opportunity to meet new friends, get to know each other, discover common interests, engage in conversations, and establish relationships.

AROUND *the* TABLE

Sitting around the table is only the beginning. When we eat together we begin to know each other and make friends. Out of those friendships come a willingness and motivation to work together. The opposite is true also. When we invite and include others from the Church and outside of the Church to work with us in serving the needs of the communities, we become connected at a deeper level; having a human impact on the needs in our communities and meeting the people behind those needs. Around the Table luncheons has the potential of widening our welcome, expanding our invitation, and acting out our mission while growing the Church.

So, either way, eating together and working together, it's all about welcoming, inviting, and including everyone, not only around the table, but around faith, friendship, and care for our neighbors.

Also, Around the Table luncheons are luncheons that impact our communities thru *Center Table Catering*, a fully licensed service with the State of Kentucky and the Health Department. Not only does contracting *Center Table Catering* allow us to be around the table to enjoy a meal, conversation, and new friends, by attending a luncheon after worship on Sundays at St. John Church we are supporting recovery efforts and culinary arts training programs for women with addiction.
Transforming lives right in our own neighborhood. About 43% of the women in Phase II of Brighton Recovery Center seek employment in the food service industry. *Center Table Catering* is here to insure their careers in the industry are long and successful.
