From the Corner

The word Credo means, I believe.

The Pension Boards United Church of Christ (UCC) launched the Credo program in the UCC in 2015, following in the footsteps of the pension organizations of the Episcopal and Presbyterian Churches, which have benefited from Credo for almost 20 years.

The Credo experience is anchored in a week-long seminar and includes a pre-seminar assessment and post-seminar resources so that participants can deepen their commitment to lifelong wellness. Credo is a holistic wellness benefit that offers clergy space and resources designed to provide opportunities to examine significant areas of their lives and discern prayerfully the future direction of their vocation as they respond to God's call in a lifelong process of practice and transformation.

Participants will be challenged to develop specific plans to enhance their lives.

How does Credo define wellness? Credo concentrates on four interrelated dimensions of wellness: Spiritual, Vocational, Financial, Psychological & Physical Health.

What happens at a Credo seminar? A holistic understanding of wellness is the cornerstone of the Credo process. Seminars include a carefully-crafted blend of learning opportunities and activities that support an experiential learning model. The design seeks to honor each person and recognizes that participants have different needs and learning styles.

I will be attending Credo May 14-20 in Richmond, VA.

I am grateful for the support of the Strategic Leadership Council and the Pastoral Relations Committee. I ask for the prayers of the whole congregation as I attend this learning and retooling conference. The pre-seminar materials have already challenged me as I prepare.

Our Pension Boards UCC have made this opportunity possible. Not only do they cover the expenses of lodging, food, and transportation, they have also given me a $500 scholarship to cover my registration fee. Thus, having no fiscal impact on our already challenged budget. I am truly grateful that our Pension Boards cares about our clergy and provide this financial support for a time to enhance my vocation.

UNITED CHURCH OF CHRIST

Farewell to Debbie Cummings

After nine years of service, Administrative Assistant to the Pastor, Debbie Cummings, retires. Debbie began serving on Tuesday, April 13, 2010 and her last day will be Wednesday, May 8, 2019.

To say the least, Debbie, has done far more than her job description states. She has worked with limited resources, given time over and above her paid hours, and endured less than sufficient office equipment and supplies. She set up and oversaw all the needs of the Kroger Community Rewards program, assisting congregants and others so that the Church could benefit from this program. And, she has saved the Church literally thousands of dollars through her crafty shopping and willingness to go the extra mile for the best price for supplies and needed tools.

I appreciate all that Debbie has done to help support my ministry as pastor and teacher; working side by side and behind the scenes to make things come together and work in our efforts to uphold and minister to and with those grieving, hurting, or needing assistance through the Pastor's Discretionary Assistance Fund, funeral services, building and parking lot use, construction and repair personnel, and the on-going day to day challenges of representing the Church.

I know that I have not always been easy to work with. I appreciate how Debbie has taken to heart my personality, temperament, passion for ministry, and mandates to serve the Church as well as possible. I want to thank her for hanging in there with me, for her desire to be helpful to me, particularly during tough times when things were piled on higher than either of us thought we could handle considering constant time demands and limitations.

Debbie has served this congregation well and assisted me devotedly. I appreciate that more than I can say.

I will miss Debbie. But I support and offer my blessings as she steps out to enjoy her retirement and to spend more time with her husband and family, particularly the new little ones who have come in to her life. Thank you, Debbie!

> May the living Christ go with you,
> before you to light the way,
> behind you to encourage you,
> beside you to befriend you,
> beneath you to sustain you,
> above you to watch over you,
> and within you to give you peace.

Journey well!
Keith

2019 One Great Hour of Sharing

The theme for the 2019 One Great Hour of Sharing Special Offering is "MORE THAN WE CAN IMAGINE!" The theme, based on Ephesians 3.20, reminds us that we are not alone in our imagining a better world for all of God's children. For it is God's imagination that hurts and empowers ours! You see, God's imagines a world where: No one is left to face the ravages of natural disaster alone----neighbor, helps neighbor, stranger helps stranger---for we are the church together. Even if things will never quite be the same after a disaster, God can work through all events to bring new life, new hope, and even more resilience. Clean and abundant water and ample sanitation facilities are available to every person. Work brings security from hunger and the land is treated with respect. Families displaced from their homes are able to build new lives. Women are no longer subject to discrimination and gender---based violence. And God also imagines Christians of many traditions, coming together to help make these things ever more a reality for more and more people. For you see, our imagination of what might be founded and grounded in what God envisions and hopes for. We can help-through our gifts of treasure and talent, prayer, and presence to make this world ever more like the way God imagines it would be!

Please give generously to the One Great Hour of Sharing special offering, so that your imagination might indeed be ever more joined with God's love. St. John's goal for 2019 is $1,500. If each one of us gives $15 we can meet this amount. Please give generously on **Sunday May 5th, 2019**.

Thank You for your generosity!

Emergency Shelter of Northern Kentucky
Life Saving. Life Changing

Since opening for winter sheltering on November 1, over 600 individuals have spent at least one night with us finding not only warmth and safety, but also access to food and clean clothes. Over 130 individuals were referred by either the hospital or local law enforcement.

The shelter accepts very little government funding and rely on the support of community members like you.

Congregational Care (Prayer Chaplain) Team

The purpose of the Congregational Care Team is to build relationship with congregants through visitation and spiritual care to those in care facilities, homebound or with special needs for support at times specified by the pastor. We currently need two more volunteers for this ministry.

Training for the CCT program is designed as a group experience for the purpose of interaction, conversation, building relationships, sharing insight and role playing. The goal is to provide initial insights and basic skills for caregivers. The nature of this ministry requires CCT members to have a common

understanding and commitment to confidentiality and the sensitivity and exposure of being in close and sacred space with those in need. Thus, it is important that all team members have this training together. All CCT members must be active and engaged covenant members of St. John United Church of Christ. CCT members also serve as Prayer Chaplains on a rotation basis remaining after worship services to provide a presence to anyone who may wish prayer for special concerns, life challenges, healing of physical, spiritual, emotional, or mental needs, and/or intercession for others. Contact Pastor Keith at 859.261.2066 ext. 202 or Pastor@StJohnChurch.net.

If you are willing to use your vehicle and assist those who need a ride safely to and from worship services or if you have administrative, communication, and management skills and would like to help coordinate such rides, please contact Pastor Keith: Pastor@StJohnChurch.net or 859.261.2066, ext. 202).

Stewardship Committee Member

Two additional people are needed for this committee that designs, plans, and oversees an on-going stewardship program of the Church in order to strengthen and sustain the needed resources of finances and skills of covenant members and attendees of the church. This is a very important role and we need dedicated people to help. Training is available. You must be a covenant member of St. John United Church of Christ to serve on the Stewardship Committee. Contact Alan Imberg at 859.743.7434 or Alan@AlanImberg.com.

BUILDING USE AND SCHEDULING

ST. JOHN CHURCH GROUPS

We anticipate the church building being used more often by community organizations outside of the church groups and programs. Thus, it is critical that ***ALL*** in-house church groups be diligent about scheduling meetings and programs through Debbie Cummings in the Church office (859.261.2066, ext. 201 or Office@StJohnChurch.net). For the Master Calendar ClickHere. Please include the following information with your request for space: Name of church group, chair person's name and email address, name of event, date of event, what time you need to enter the building, time the event begins, time the event ends, time you will leave the building, room/s (name/s or number/s) you are requesting. Please be flexible as some rooms may not be available and depending on the nature of your meeting/event your group may be moved to accommodate maximum usage of space available or for noise considerations.

Weddings, funerals, baptisms and services of worship are scheduled through the Pastor's office.
