

# INSIDE LIGHTHOUSE

Inside Lighthouse events give people unique opportunities to learn more about the important work we do in our community. Each event will include a meal (when in person), an engaging information session with our CEO and a staff person with expertise on the highlighted program, followed by a tour, if applicable. If you are interested in attending any or all of these Inside Lighthouse events, please contact Deborah Stevens, Donor Relationship Manager, at [dstevents@lys.org](mailto:dstevents@lys.org) or 513-475-6026

*Space may be limited for some locations. In-person events may become virtual, depending on the number of COVID-10 cases in our region.*

**November 18 - 9:00 a.m.**

*Sheakley Center for Youth and Youth  
Housing Opportunities, 2314 Iowa Ave*

The Open and Affirming Team of the Ignite 2022 initiative is inviting and encouraging you to step out and engage Lighthouse Family Services. Why? Because as an Open and Affirming (ONA) congregation we want to partner with *Lighthouse* as they assist and help LGBTQ+ homeless youth and young adults who otherwise would be living on the streets and not receiving the support and assistance they need. There is always something to learn.

These Inside Lighthouse Events offer you the opportunity to engage the mission of St. John Church through building bridges with other organizations in the greater northern Kentucky Cincinnati area. Attend all the events or only some. Invite a friend to go with you!
